

The Hong Kong University of Science and Technology
School of Business and Management
Department of Information Systems, Business Statistics and Operations Management

Position Vacancy: Two Tenure-track opening for Assistant/Associate/Full Professor in Information Systems

The Department of Information Systems, Business Statistics and Operations Management (ISOM) at the HKUST Business School invites applications for two tenure-track assistant/associate/full professor positions in the Information Systems area beginning in July 2023. Candidates must have received a doctorate in Information Systems or a related area by May 2023. The candidates must also have a strong commitment to high-quality research and excellent teaching. The successful candidate should have the ability to teach at both the MBA and undergraduate levels.

Candidates preferably will be able to teach courses in the following areas:

1. Fintech
2. IS strategy and digital transformation
3. Cybersecurity

Established in 1991, the HKUST Business School is ranked among the Top Business Schools in the world in terms of research, educational programs, and student and graduate quality.

The IS group (with 16 tenure-track faculty) is ranked #12 for publications in ISR and MISQ for 2017-2022.

Our MBA programs have been consistently ranked among the top in the world.

- 10 times #1 Global Executive MBA program for 2007, 2009-13, 2016-18, 2020 (Joint program with Kellogg of Northwestern University; Financial Times)
- Top 25 Global MBA program for 2008-2021 (Financial Times)
