Tenure-track Faculty Positions in Operations Management

The Department of Information Systems, Business Statistics, and Operations Management (ISOM) at the School of Business and Management, The Hong Kong University of Science and Technology (HKUST), is seeking applicants for a tenure-track faculty position at the Assistant Professor or Associate Professor level in Operations Management, expected to begin in July 2026.

Candidates should hold a PhD degree (or be near completion) in Operations Management or closely related disciplines and have a strong record (or demonstrate strong competence for the Assistant Professor rank) in both research and teaching.

The Operations Management group within the department offers undergraduate, MSc, and PhD programs, as well as courses for the school's MBA, EMBA, DBA, and Executive Education programs. The group plays a major role in the HKUST Li & Fung Supply Chain Institute. The department's website is <http://www.bm.ust.hk/~isom>.

Applicants should submit a cover letter, curriculum vitae (CV), teaching evaluations (if any), and two selected research papers, and arrange for three reference letters to be submitted by the writers.

All materials should be submitted in **PDF format** via email to omrecruit@ust.hk by **10 October 2025**.

For candidates presenting at the INFORMS 2025 conference, please also provide the titles, times, and venues of the presentations.
