

The Hong Kong University of Science and Technology

Department of Information Systems,
Business Statistics and Operations Management

Non-tenure track teaching position

The Hong Kong University of Science and Technology (HKUST) invites applications for a non-tenure track teaching position for business statistics in the Department of ISOM, in the ranks of Assistant or Associate Professor in Education, with renewable contract. Applications will be accepted until the position is filled. A PhD in statistics or a related area is required.

The successful applicant is expected to play an important role in teaching and developing business statistics courses for MSc in Business Analytics program as well as some undergraduate and MBA programs of the School of Business and Management. All areas of expertise in Business Analytics, such as statistical learning and data science, statistical computing, statistical graphics and statistical modeling for business, are particularly welcome. Salary is competitive and depends on qualifications and experience.

Special Instructions to Applicants: Applicants must submit a letter of application, a statement of teaching, past teaching records (if applicable) and curriculum vitae. Please arrange for three current letters of reference to be sent to:
