Tenure-track Faculty Positions in Operations Management

The Department of Information Systems, Business Statistics and Operations Management (ISOM) at the School of Business and Management, The Hong Kong University of Science and Technology (HKUST), is seeking applicants for a tenure-track faculty position at Assistant Professor or Associate Professor level in Operations Management, expected to begin in July 2022.

Candidates should have a PhD degree (or near completion) in Operations Management or other closely related disciplines, and have a strong record (or demonstrate a strong competence for the Assistant Professor rank) in both research and teaching.

The Operations Management group of the department offers undergraduate, MSc and PhD programs, and offers courses for the school's MBA programs. The department web site is <http://www.bm.ust.hk/~isom>.

Applicants should submit a cover letter, curriculum vitae (CV), teaching evaluation (if any) and two selected research papers, and arrange three reference letters to be submitted by the writers.

All materials should be submitted via email to Prof. Shaohui Zheng at omrecruit@ust.hk by **October 24, 2021**.

For candidates who will have talk(s) in INFORMS 2021 conference, please also share the recordings with us through dropbox by **October 31, 2021**.
